

## Scott William Fisher Jr Memorial Scholarship

Scott was a young man who graduated from Deering High School in 2005. He was well liked by his peers, as well as his teachers. He was a gifted student, athlete, artist and musician. While attending Deering, he earned high honors, was a varsity soccer player, excelled in art, and learned to play the guitar. Scott also suffered silently from depression, and due to this devastating disease, took his life in the fall of 2005 while away at college.

Scott's family has made their goal, since Scott's passing, to spread awareness of how serious depression can be. Even someone like Scott, with many friends, extreme potential, and years of possibility ahead of him, can lose the battle. With these facts, the Fisher Family has dedicated themselves to bringing awareness into the schools of Maine, and beyond. Also, in memory of Scott, each year a scholarship will be awarded in his name to a deserving Deering High School senior, who plans to attend college.

The perfect candidate for this scholarship would have some of the wonderful qualities that Scott possessed.

- A role model for other students, in the classroom, and in extra-curricular activities.
